Ms. Andrea Michael
Fiscal Division of PUCO
180 E. Broad Street
Columbus, Ohio 43215-3793

Dear Ms. Michael,

On April 26, 1999 Cincinnati Voice & Data (CVD) received a reminder notice from the Ohio Consumers' Counsel (OCC) stating that a copy of our completed annual report was due by May 1, 1999 as ordered by the Public Utilities Commission of Ohio (PUCO). This letter is to inform you that as of January 1, 1998, Cincinnati Voice & Data should no longer be considered a public utility corporation. A "relief of jurisdiction" is being filed to change our status with PUCO to ABN, or abandonment.

Because of this oversight, I am requesting that the due date of our completed annual report be suspended until the status of CVD has been changed with PUCO. Please contact me at the telephone number referenced below if anything additional is needed to accomplish this.

Sincerely,

Laura Surface
Executive Assistant
