GENERAL INSTRUCTIONS

Please read the general instructions carefully before filling out this form:

1. The word "Respondent" in the following inquiries means the person, firm, association, or company in whose behalf the report is made.
2. The schedules and questions contained in this report were developed to be generally applicable to all competitive retail natural gas (CRNGS) and electric (CRES) suppliers. All instructions shall be followed and each question answered as fully and accurately as possible. Sufficient answers shall appear to show that no schedule, question, or line item has been overlooked.
3. If answers to an inquiry are given elsewhere in the report, incorporation of the information by reference is sufficient.
4. Customary abbreviations may be used except that the exact name of the respondent shall be shown in full on the "Title Page" and in the "Verification" page.
5. Where the space provided is insufficient for the required data or it is necessary or desirable to insert additional statements or schedules, the insert pages shall show the number and title of the schedule to which it pertains, as well as the name of the respondent and the year covered, and shall be on 8 1/2" x 11" durable paper.
6. The information required with respect to any statement furnished is the minimum requirement. The respondent may add such further material information as is necessary to ensure that the required statements are not misleading.
7. All copies filed with the Commission must be legible and permanent. All entries shall be made in permanent ink or by a typewriter. Items of a reverse or contrary character shall be enclosed in parentheses, or indicated by a minus sign followed by the amount.
8. The annual report shall be signed by a duly authorized officer of the respondent.

Special Instructions for Governmental Aggregators

A governmental aggregator that does not directly supply natural gas and electricity to the members of its aggregation pool and receives no receipts or proceeds from the sale or provision of natural gas and electricity to the members of the aggregation pool, should timely complete the annual report and file it in accordance with the following instructions:

1. Complete all sections of the cover page;
2. On page 4, enter zero total earnings and type or print the name(s) of the governmental aggregator's supplier(s) in the space below the table;
3. Do not fill out pages 5, 6, 7 or 8;
4. On page 9, complete only the top third of the page;
5. Complete the oath on page 10.

IMPORTANT CHANGES DURING THE YEAR

Report important changes of the types listed. Except as otherwise indicated, data furnished should apply to the same period the report covers. Answers should be numbered in accordance with the inquiries and if "none" states the fact, it should be used. If information, which answers an inquiry, is given elsewhere in the report, identification of the other answer will be sufficient.

1. Changes in ownership or control (shareholders holding 5% or more of outstanding stock).

None

2. Other important changes: Give brief particulars of each other important change, which is not disclosed elsewhere in this report.

None

Instructions:

Schedule 1 is used for PUCO annual assessment purposes pursuant to Sections 4905.10 and 4911.18, Revised Code. The reporting company shall maintain supporting and/or subsidiary records to separately record revenues derived from total operations and from its Ohio intrastate operations. Information presented herein is subject to audit by the PUCO.

For the purpose of this report, sales of natural gas and electricity are deemed to occur at the meter of a retail customer.

Any competitive retail natural gas and electricity supplier that reports zero gross revenues will not be assessed.
