Instructions:

This information is used for PUCO annual assessment purposes pursuant to Section 4905.10, Revised Code. The reporting company shall report its intrastate gross receipts and corresponding sales of kilowatt hours of electricity for the provision of retail services for which it is subject to certification by the PUCO under Section 4928, Revised Code. Sales of kilowatt-hours of electricity are deemed to occur at the meter of the retail customer.

The reporting company shall maintain supporting and/or subsidiary records to separately record receipts and sales of electricity derived from operations other than in Ohio. Information presented herein is subject to audit by the PUCO.
