Changes: In January 2015, Summit Energy Services, Inc. (Summit) was ordered by the Commodity Futures Trading Commission (CFTC) to pay a \$140,000 civil monetary penalty for acting as an unregistered Commodity Trading Advisor for a period of time from October 2012 through September 25, 2014. This arose as the result of Summit working with the CFTC to ensure all reporting requirements were met.

Currently, Summit is now registered as a Commodity Trading Advisor (CTA) with the CFTC and are in full compliance with the requirements to provide financial hedging and risk management services to clients, and there will be no impact to operations or customers. Even before the CFTC's inquiry, Summit was working through the requirements to meet these new regulations, including obtaining the necessary certifications to provide financial hedging and risk management services to our clients. This situation has been fully resolved, and does not impact any of our operations or our services, past or future. Furthermore, there are no implications for our clients, their businesses, or their interactions with Summit.

Information regarding this can be found in CFTC Docket No. 15-12
