

The State of Ohio 9-1-1 Council
Resolution Number 06-01

A Resolution Adopting Operating Standard 06-01

WHEREAS, Section 4931.68 of the Ohio Revised Code grants authority to the Ohio 9-1-1 Council to establish nondiscriminatory, competitively neutral, and uniform technical and operational standards for the 9-1-1 system in Ohio.

WHEREAS, the Ohio 9-1-1 Council believes it is imperative to establish a uniform operating standard for the processing of wireless 9-1-1 calls across Ohio.

WHEREAS, the number of wireless calls being received by Public Safety Answering Points are continuing to increase.

WHEREAS, Operating Standard 06-01 has been adapted from the recognized industry standard developed by the National Emergency Number Association.

IT IS, THEREFORE,

RESOLVED, That Operating Standard 06-01 is adopted as the recognized method of processing a wireless 9-1-1 call in the State of Ohio. It is, further,

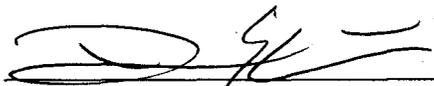

RESOLVED, That, in accordance with Section 4931.68 of the Ohio Revised Code, each Public Safety Answering Point receiving wireless 9-1-1 calls in the State of Ohio is hereby directed to implement Operating Standard 06-01 into their operating practices and procedures. It is, further,

RESOLVED, That a copy of this resolution and Operating Standard 06-01 be served upon each County 9-1-1 Coordinator within the State of Ohio.
