

Application for Approval of Plans and Specifications for Lateral and Overhead Clearances per R.C. 4963.42

To the Public Utilities Commission of Ohio:

The undersigned respectfully submits the following plans and specifications covering either overhead or lateral clearances, or both, for approval:

_____, across, over, or along _____ track of the _____
Nature of Construction Main, side, switch Name of Railroad

Rail _____, said construction to be located at _____ in the
Street or Highway

municipality of _____, Township of _____, County of _____ Ohio.
Name of Municipality Name of Township Name of County

Permanent overhead clearance above tracks at all points thereunder ____ ft. ____ in.

Overhead clearance during construction ____ ft. ____ in.

Permanent lateral clearance from center of track ____ ft. ____ in.

Lateral clearance during construction ____ ft. ____ in.

If overhead and lateral clearances, or either of them, are or is to be less than twenty-one and eight feet, respectively, give brief reason:

Copy of plans and specifications is herewith attached and made a part hereof.

Plans submitted by _____ Rail _____ Company on the ____ day of _____, 20__.

WHEREFORE, petitioner prays for an order approving such plans and specifications and granting authority to erect, construct and maintain such structure in conformity therewith.

Constructor: _____ Railroad Company: _____

Per: _____ Per: _____

Order Approving Plans, etc., and Permit to Construct

Order No. _____

To _____ and _____.

This day this cause came on for hearing upon the joint application of _____ and _____ for approval of plans and specifications providing for clearance less than authorized by Sec. 4963.42 R.C. of Ohio.

The Commission finds that it is impracticable to make and sustain overhead and lateral clearances of 21 feet and 8 feet respectively; that such plans and specifications provide an overhead clearance of _____ feet from top of rail and lateral clearance of _____ feet from center of track and that such plans and specifications should be approved subject to and conditioned upon full compliance with the following restrictions:

It is therefore ordered that said plans and specifications be and hereby they are approved and authority granted as prayed for herein subject to, restricted as and modified by the requirements ordered herein.

WITNESS the official signature and seal the _____ day of _____, 20__.
