

## Supplemental Assistance Program Application

**TO RECEIVE FUNDS FROM THIS PROGRAM A COMPLETED APPLICATION, SIGNED CONTRACT, AND CONSTRUCTION AUTHORIZATION MUST BE PROCESSED AND APPROVED PRIOR TO ANY WORK OR EXPENDITURES.**

**Procedures for this grant application are as follows:**

1. Complete the form below and return it to the PUCO address above. Describe your proposed safety enhancements. You must include two estimates (including material and labor costs) and have a certified traffic count that is less than four years old. If the local highway authority is performing the work, then only one estimate is required.
2. **DO NOT PROCEED** with any construction until so authorized.
3. If this application is approved, a contract will be forwarded to be signed by the highway authority's representative.
4. After the PUCO receives a signed contract, you will receive a copy of the contract and approval to proceed with construction.
5. Upon completion of construction, send an invoice to the PUCO. This program will reimburse up to \$5,000 of the construction cost per crossing.
