10:00 a.m. – Prepared Discussion Remarks

Panelist

- **Matt White – IGS Energy**
- **Dwayne Pickett – Integrys Energy Services**
- **Lee Barrett – Duke Energy Ohio**

10:20 a.m. – Corporate Separation

- a. Is there a corporate structure that will ensure decisions made by non-EDU affiliates minimize costs to ratepayers of the EDU?
- b. Since generation has been declared competitive in Ohio, should return on investment for EDUs be reduced in order to reflect lower risk?
- c. Should the capital structure of EDUs be more heavily weight toward debt in light of the reduced risk associated with a wires-only company?
- d. Are shared services within a ‘structural separation’ configuration causing market manipulation and undue preference?
- e. Should generation and competitive suppliers be required to completely divest from transmission and distribution entities, maintain their own shareholders and therefore, operate completely separate from affiliate structure?
