

# AGENDA

---

8:00 - 9:00 Registration

8:30 Pre-Exercise Transportation Module (Optional)

All invitees are welcome to attend this additional module, if desired. Participants in this training module will gain a better understanding of the transportation of hazardous materials by commercial motor vehicles and the intricacies of incidents involving them. As such, the training module will be leveraged toward local emergency responders.

9:15 Welcome / Opening Remarks

- **Commissioner Cheryl Roberto**, Public Utilities Commission of Ohio
- **Commissioner Paul Centolella**, Public Utilities Commission of Ohio
- **Ms. Nancy Dragani**, Executive Director, Ohio Emergency Management Agency
