Telephone Relay Service Reporting Form

Pursuant to the Ohio Revised Code § 4905.84¹, this form is to be utilized by all service providers that are required under federal law to provide its customers access to TRS, including telephone companies, commercial mobile radio service (CMRS) providers, and providers of advanced services or internet protocol-enabled services that are competitive with or functionally equivalent to voice-grade, end user access lines. Advanced services and internet protocol-enabled services have the meanings ascribed to them by federal law. Included within these federal regulations are requirements to provide the number of retail customer access lines or their equivalent within Ohio. This form is to be submitted using access line or equivalent count data as of December 31, as reflected on FCC form 477, reported by March 15 of the following year, if applicable. Any service provider that does not currently file form 477 should provide the most recent information available. Please submit completed forms to:
