Present:

Sam Randazzo, Chairman
M. Beth Trombold, Commissioner
Lawrence K. Friedeman, Commissioner
Daniel R. Conway, Commissioner
Dennis P. Deters, Commissioner
Angela Hawkins, Legal Director

This meeting was convened pursuant to an emergency meeting agenda issued on March 19, 2020.

The Commission met for the purpose of considering the following case and to act upon the proposed Entry.
Chairman Randazzo explained that the purpose of this meeting is to issue an order based upon the emergency declaration from the Governor. Specifically, to issue a decision further addressing non-essential activities, such as meter reading inside premises, periodic inspections, and other actions that are not safety related. We are also further clarifying the automatic approval suspensions previously ordered and cost recovery.

1. 20-591-AU-UNC Procedures for Declared State of Emergency (Consideration of proposed entry) Approval moved and seconded, vote 5-0.

The Chairman addressed the concerns regarding the supply/demand changes in the energy market, specifically the anticipated price decline, and cautioned against rumors about grid failure. Further advising the public to follow the instructions from Ohio Department of Health. Commissioner Conway concurred with the Chairman’s statements and noted his appreciation of the feedback received from stakeholders.

There being no further business, the Commission Meeting adjourned at approximately 11:21 a.m.
