Commissioner Trombold clarified and Lori Sternisha confirmed that the PUCO was a signatory party to the transmission settlement agreement dealing with cost allocation, which was approved by the Federal Energy Regulatory Commission. That decision is now being appealed to the U.S. District Court and this requested action will allow the PUCO to intervene in that venue. Chairman Randazzo noted that the allocation settlement was beneficial to the state, which is why the PUCO has an interest in this appeal.

Chairman Randazzo recognized Judy Lowery upon her retirement from the Commission.

There being no further business, the Commission Meeting adjourned at approximately 1:50 p.m.
