The Commission met for the purpose of considering the following case and to act upon the proposed Order.
Chairman Randazzo explained that the purpose of this meeting is to issue an order based upon the emergency declaration from the Governor. Similar to the Order issued on March 12, 2020, this Order focuses on service restoration, requiring regulated utilities to engage in certain actions and encouraging utilities that we do not regulate to assist in these efforts. Further noting that the PUCO has provided relief of hours of service limitations for commercial intrastate trucking.

1. 20-591-AU-UNC Procedures for Declared State of Emergency (Consideration of proposed order) Approval moved and seconded, vote 3-0.

The Chairman acknowledged the efforts of the utilities and stakeholders who have been collaborating with us to help identify areas where we may need to intervene. Also noting the federal response of providing broadband internet and the Ohio providers who immediately started rolling out programs accordingly. Further, generally thanking the Governor, Lt. Governor, Dr. Amy Acton and others in state government who have been creating an effective team approach to handling these issues.

There being no further business, the Commission Meeting adjourned at approximately 3:05 p.m.
