Search annual reports

Search annual report filings from 2017 forward. Select a filing year and enter an additional search field, such as company name, industry or sub-industry. Regulated companies are organized into industry types and subindustry types. Not all industry types have a sub-industry. To understand how companies are organized by industry and subindustry, please view our [regulated company list](#). To search historical annual reports from 1999 to 2017, [visit the PUCO website](#).
