

PUCO 101

What does the Public Utilities Commission do for Ohioans?

Our Mission

Regulate public utility service and rates

Support competitive energy choices

Protect consumers' rights and monitor safety

Areas we regulate

Electric

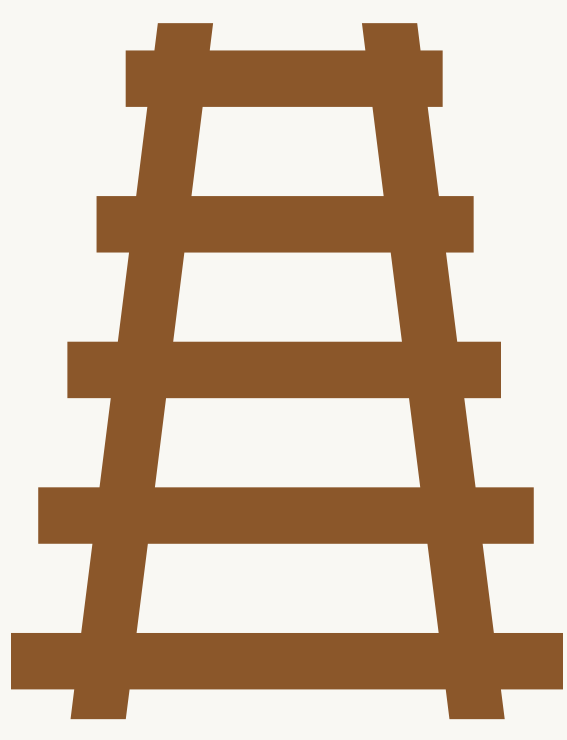

Natural gas

Landline telephone

Water and wastewater

Railroad crossings

Commercial motor vehicles

Moving companies

Helping Ohioans

Consumer Call Center

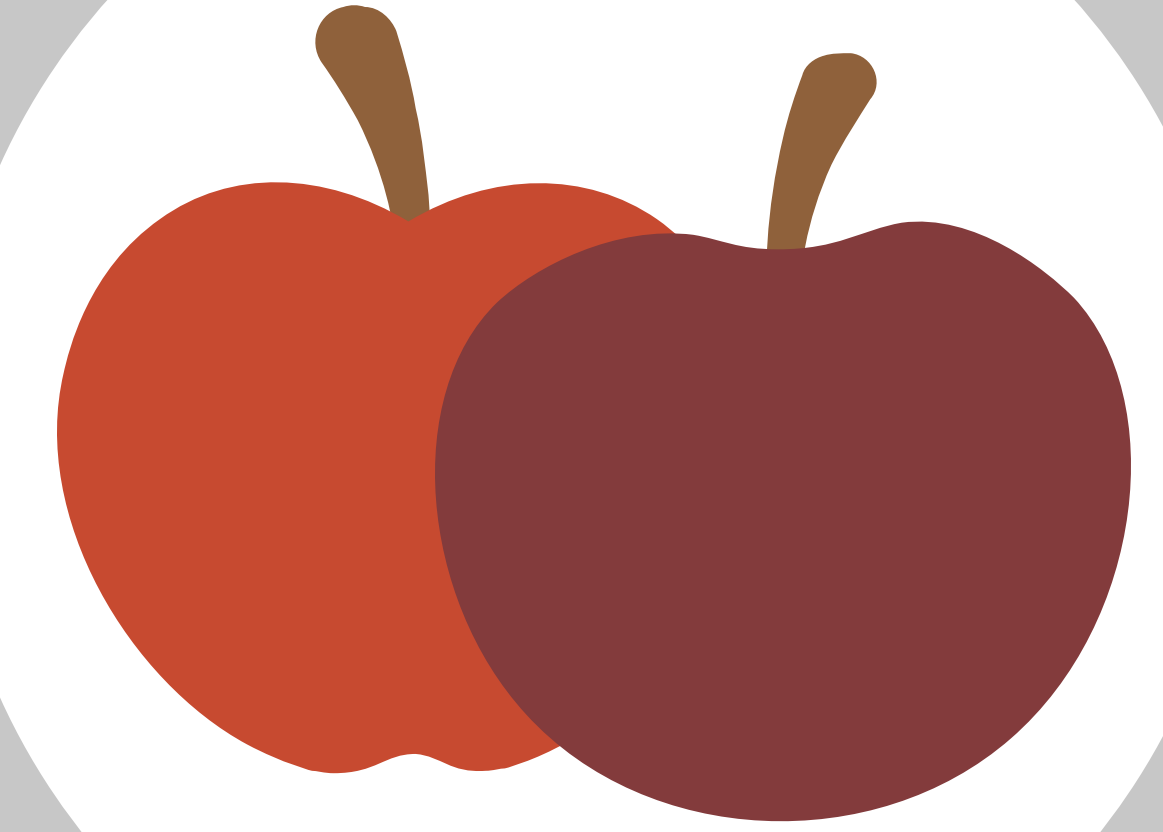

The consumer call center is staffed with representatives ready to help you with questions, comments or complaints.

Safety inspections

PUCO staff conduct thousands of safety inspections a year on pipelines, motor carriers, transmission lines and more.

Energy Choice Ohio

Energy Choice Ohio allows customers to compare and shop electric and natural gas suppliers to find the best deal for them.
